

Keeping children safe

Reporting incidents and concerns

Remember

-  Your responsibility is to report your concerns, not work out a response
-  If in doubt - report!
-  Reporting your concerns helps to give children a voice
-  Together we can prevent child exploitation and abuse

Have you seen or heard something that makes you worried for a child's safety?

Are you concerned that a child may be harmed, or at risk of being harmed?

If the answer is yes, immediately contact the Child Protection team at childprotection@australianvolunteers.com or your in-country team.

We will contact you and discuss the next steps to listen and respond to your concerns, with consideration for your safety and wellbeing.
