

Consent to Use Images - Adults

This form provides the Australian Volunteers Program with consent to take and use photos and/or video recordings of the individual named below. The Australian Volunteers Program can use the photos/or video (content) in communication materials and activities.

The following has been explained to me and I agree:

- I agree that the Australian Volunteers Program may take photographs and/or recordings of me and I consent to the following uses of this content;
 - Locally or globally, including in Australia
 - For advertising, magazines, brochures
 - In online materials including social media platforms such as YouTube, Twitter, Instagram and Facebook.
- Use of my name in captions with all efforts to prevent my identification causing harm.
- Sharing the content to our partner organisations such as DFAT or other non-government organisations for similar use only.
- I can ask the Australian Volunteers Program staff for a copy of the content at any time.
- I have noted below any conditions or exceptions to the use of the content
- I understand that the Australian Volunteers Program will not pay me any fee for the taking or use of any content and that they won't sell the content.
